## ***THE GIFT OF PRESENCE: embracing the true spirit of Christmas***

As the year ends, December brings a unique kind of magic — one filled with warmth, reflection, and connection. The lights, the music, and the joy that fills the air remind us that this season isn't just about celebration — it's about giving, belonging, and being present with the people who matter most.

### **1. GIVING BEYOND THE MATERIAL**

While it's easy to get caught up in the exchange of gifts, the heart of giving goes far deeper than anything wrapped in a box. The most meaningful gifts often come in the form of time, understanding, or simple acts of kindness.

Ask yourself, What can I give that will make someone feel seen, appreciated, or cared for? Sometimes, your full attention or your willingness to listen can mean more than any present under the tree.

## **2. FAMILY: THE HEART OF THE SEASON**

The holidays have a special way of bringing people together. Whether you're surrounded by family, close friends, or chosen loved ones, this season reminds us of the value of connection.

Perfection isn't what makes moments memorable — presence does. It's in the laughter around the dinner table, the shared stories, and even the quiet moments that remind us how lucky we are to have each other.

## **3. REKINDLING THE SPIRIT OF GRATITUDE**

There's something powerful about giving that naturally leads to gratitude. When we take time to appreciate what we have and extend kindness to others, we begin to see how much richness already exists in our lives.

Gratitude transforms ordinary moments — baking cookies, sharing a meal, or simply reflecting on the past year — into something truly meaningful.

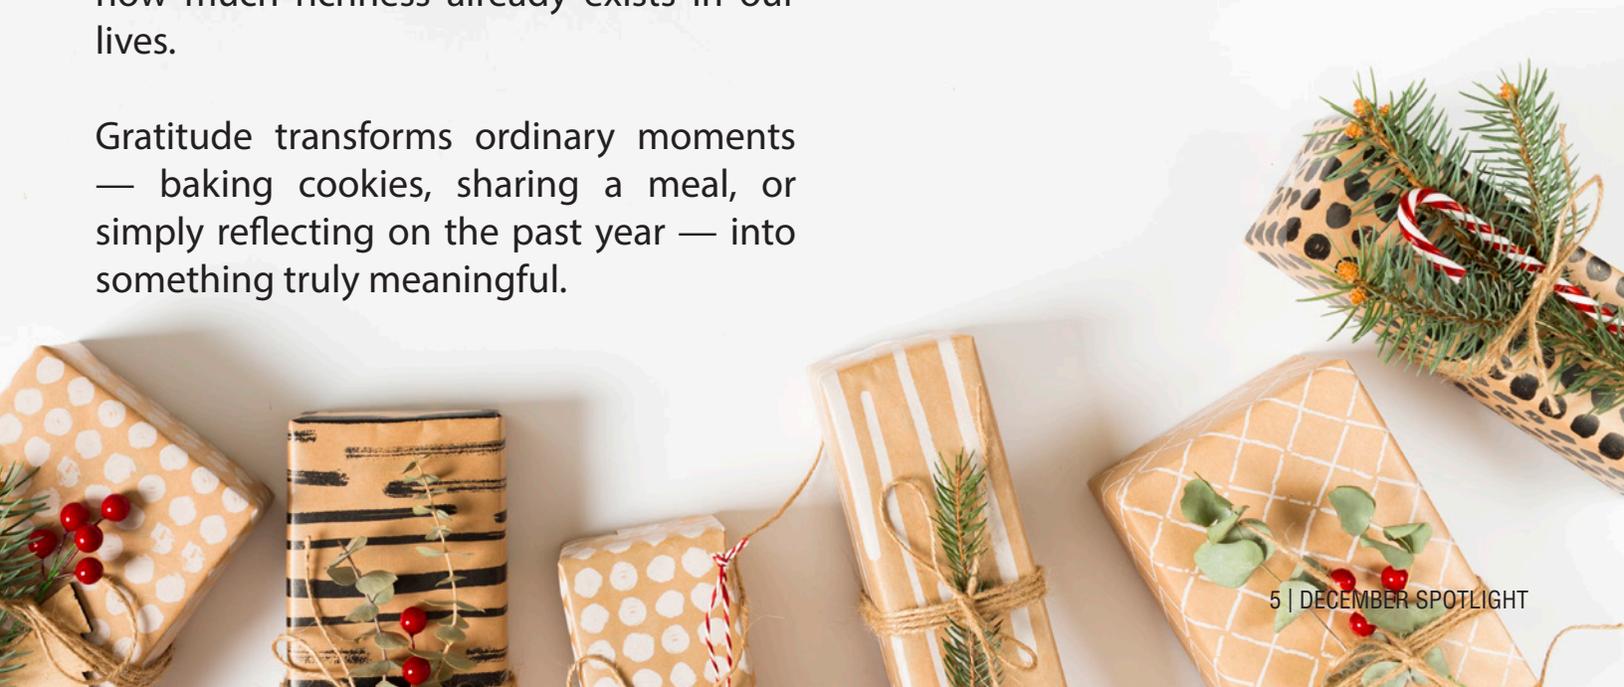

## **4. THE TRUE SPIRIT OF CHRISTMAS**

The spirit of Christmas isn't found in what we receive, but in what we give and how we love. It's in choosing to slow down, to appreciate the people around us, and to show kindness even in small, simple ways.

This season, let your giving be thoughtful, your words be kind, and your presence be your greatest gift.

### ***MINDSET FOR THE MONTH:***

*“This December, I choose to slow down, give intentionally, and cherish the moments that truly matter.”*

**HOLIDAY EDITION**

***Turkey with homemade stuffing***

***Ingredients:***

**MAIN**

- 1 whole turkey

**STUFFING**

- 1 loaf white bread
- 1 stalk celery
- 2 large white onions
- 1 cup water

**SEASONING MIX**

- 2 tsp basil
- 2 tsp ginger
- 2 tsp thyme
- 2 tsp sage
- 2 tsp rosemary
- 2 tsp oregano
- 2 tsp marjoram

- 2 tsp cracked black pepper
- 2 tsp paprika
- 2 tsp garlic powder
- 2 tsp onion powder

**OTHER**

- 1 cup butter
- **2 *tbsp Nectura***

## Preparation: \_\_\_\_\_

### PREPARE YOUR TURKEY

- Begin by thawing your turkey if it's frozen. Prepare your seasoning blend by combining all ingredients and mixing thoroughly.
- In a saucepan over low heat, melt **half of your butter together with the Nectura** until fully liquified. Pour this mixture all over the turkey, including inside the cavity.
- Rub **half of your seasoning blend** all over the turkey.

### HOMEMADE STUFFING

- Finely chop your celery and white onions; set aside.
- In a large pan, break the loaf of bread into small pieces.
- Blend the chopped celery and onions with **1 cup of water** until it becomes a smooth paste. Add a little more water if needed to reach the right consistency.
- Melt the remaining butter over low heat and stir in **the rest of your seasoning blend**. Pour this buttery seasoning mixture, along with the celery-onion paste, over your bread. Knead everything together until fully combined. The stuffing should have a dough-like consistency.
- Stuff your turkey with the prepared mixture.

### COOK YOUR TURKEY

- Preheat your oven to **350°F**. Place the stuffed turkey in a deep baking pan, cover it with foil, and cook for **15 minutes per pound** or until the internal temperature reaches 165°F.
- With **30 minutes of cook time remaining**, remove the foil, baste the turkey, and return it to the oven uncovered to finish cooking.
- Once done, remove the turkey from the oven and let it rest for at least 20 minutes before carving and serving.
